

Case Study

Stormy Castle

Client: Private Client

Value:	Not Disclosed
Procurement:	JCT D&B
Sector:	Private Residence
Role:	Quantity Surveyor

Description

RPA were proud to be involved as Quantity Surveyors on this very unique build.

The house comprises of 7,800 sq ft over split-levels that stagger up the hillside on five half-floors, culminating in a rooftop sunset living room; the four bedrooms are at the bottom. The flat roofs are planted with greenery that will one day envelop them. Fashioned from concrete with rusty Corten accents, it has a raw aesthetic that reflects local agricultural buildings.

This house has a Code 5 rating for Sustainable Homes.

Stormy Castle has won awards for the following

- Winner of the RIBA Manser Medal 2014
- RIBA Welsh Architecture award
- Eisteddfod Gold Medal award
- CIBSE South Wales Region Sustainable Project of the year award 2013
